

community impact report

JANUARY-DECEMBER 2021

FROM OUR EXECUTIVE DIRECTOR, APRIL HASKETT:

My prayer is that you all will be encouraged and filled up with the joy, peace and HOPE that comes from our Lord and Savior, Jesus Christ! 2021 was an absolutely tremendous year at HOPE. We've been blessed with more opportunities than ever before to share truth and love with young mothers and fathers. We've been extremely busy, but it's exhilarating and energizing to be able to serve as vessels of God's love in our community!

God didn't call us to cower, hunker down or merely survive; He called us to be "more than conquerors!" As we march ahead into 2022, let's face it together with courage and perseverance. Let's stomp fear out and stand with boldness as we share the truth of the gospel with all those in our path. For the frightened young mother, let's look her in the eye and let her know she matters and the life inside her is precious. For the struggling young father, let's disciple him in becoming the man God intends him to be.

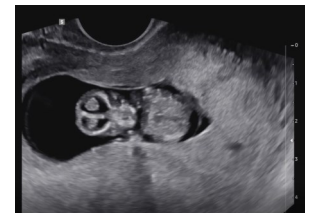

This year holds the possibility that Roe v. Wade will be overturned. But in reality it is overturned each and every day in thousands of pregnancy care centers around the world as eyes are opened to the truth, hearts are softened and precious lives are given a chance! So, instead of sitting idle awaiting the court's decision, let's clothe ourselves in the armor given to us and get to work!

Won't you stand with me as we fight for every due date to become a birth date in 2022!

APRIL S. HASKETT, RN

EXECUTIVE DIRECTOR OF HOPE RESOURCE CENTER

WHAT HOPE DOES

We are a PREGNANCY RESOURCE CENTER and MEDICAL CLINIC. We believe that each life God creates is a part of His perfect plan and deserves our unconditional love and support. We encourage people facing pregnancy decisions to choose life, and we affirm that choice every step of the way.

pregnancy resource center

We approach each person facing a pregnancy decision with love and compassion. Our services include:

- parenting classes
- peer counseling
- fatherhood mentorship
- material aid
- postpartum care
- abortion recovery

medical clinic

We have a full-time RN on staff and two licensed physicians serve as our medical directors. All of our medical services are free and confidential. These services include:

- pregnancy tests
- ultrasounds
- STI testing and treatment

THANKING GOD FOR

91 hope babies due
IN 2021

2021 impact

399

parenting class attendees

275

hours of counseling provided

70,022

diapers distributed

78

postpartum meals provided

113

pregnancy tests

121

ultrasounds

69

STI tests

16

STI courses of treatment

“

Hope taught me I didn't make a mistake and that he [my baby] was meant to happen. There was a purpose... God has things happen for a reason. This baby has definitely changed my life, for 110% the better. I couldn't imagine my life without him.

OUR COMMUNITY NEEDS HOPE

Over the past 3 years, we have seen a significant increase in demand for our services. Many of our clients come to us facing challenges such as poverty, single parenthood, & teen pregnancy. It is our goal to uplift these young families, equipping them with the skills to meet life's challenges with confidence.

Total client services

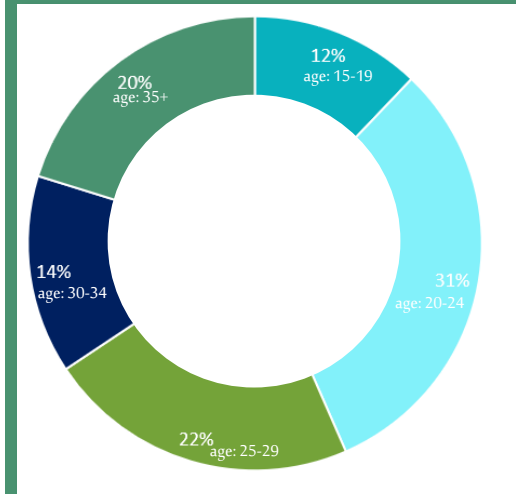

Hope made me feel empowered, like I was ready to be a mom. That I would be able to get through it and that I didn't need to worry about what the outside world thought about me being a young mom. I was strong enough to do it and strong enough to get through it.

CLIENT demographics

Not all clients submitted demographic data, but for those who did...

71%
had no HS degree

61%
made \$14,000 or less

69%
were unmarried

STEWARDSHIP OF HOPE

Our board and staff are dedicated to stewarding this organization responsibly and steering it towards God's purposes. We thank all of our supporters for their many gifts (time, prayer, donations) and promise to seek His will in utilizing them appropriately towards the accomplishment of Hope's mission.
